

We are Dublin's Crash Repair and Spray Painting Specialists, serving motorists across Dublin since 1985. We are here to help with all your car repair and automotive needs from a quick service to a re-spray. Here at Hopkins & Lockhart Motors we are happy to welcome all car repairs and guarantee that our work is conducted to the highest standards by our fully qualified and experienced mechanics, panel beaters and spray painters.

When it comes to restoring your vehicle back to pre-accident condition, Hopkins & Lockhart South Dublin Crash Repairs is the right choice. We repair all makes and models of car and van in our repair centre. Specialising in dent repair, major and minor collision damage, car servicing, NCT rectifications and many more. We work with all major insurance companies, and will gladly work on our customers behalf to make your experience hassle free. So drop in today and get your free estimate.

Happy Motoring!

**What to do if you are involved in a traffic accident.**

- 1. Stop!**  
Find out if anyone is injured. Call for help if people are injured and avoid moving a severely injured person.
- 2. Protect the scene & call An Garda Siochana.**  
Try to keep things as they are. It is very important to keep yourself, others, and your car from further damage. Set up flares, get off the road, etc.
- 3. Collect information.**  
Get pictures (if possible). Using this form, gather names, addresses, witness information, insurance information etc. Don't be afraid to point out anything unusual about how the accident occurred. Write down everything you can remember while it's still fresh in your mind.

Finally, get in touch with your insurance company as soon as possible, or bring the car to us and we will take the hassle out of your insurance claim.
